Types of Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: Trackers; Usage Data; number of Users; session statistics; email address; first name; last name; physical address; phone number; gender; precise location; language; device information; Data communicated while using the service; ZIP/Postal code; country.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Tag Management, Advertising, Interaction with data collection platforms and other third parties, Platform services and hosting, Remarketing and behavioral targeting, Displaying content from external platforms, Traffic optimization and distribution, Managing contacts and sending messages and Contacting the User.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Website, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioral retargeting technique, i.e. displaying ads tailored to the User’s interests and behavior, including those detected outside this Website. For more information, please check the privacy policies of the relevant services. Services of this kind usually allow Users to opt out of such tracking. Users may learn how to opt out of interest-based advertising more generally by visiting the relevant opt-out section in this document.

The Mailchimp widget is a service for interacting with the Mailchimp email address management and message sending service provided by Intuit Inc.

Personal Data processed: email address; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Managing contacts and sending messages

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User. These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

Mailgun (Mailgun Technologies, Inc.)

Mailgun is an email address management and message sending service provided by Mailgun Technologies, Inc.

Personal Data processed: email address; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Platform services and hosting

These services have the purpose of hosting and running key components of this Website, therefore allowing the provision of this Website from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data. Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

WP Engine (WP Engine, Inc.)

WP Engine is a hosting service provided by WP Engine, Inc.

Personal Data processed: Data communicated while using the service.

Place of processing: United States – [Privacy Policy](#).

Remarketing and behavioral targeting

This type of service allows this Website and its partners to inform, optimize and serve advertising based on past use of this Website by the User. This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioral targeting activity. Some services offer a remarketing option based on email address lists. Services of this kind usually allow Users to opt out of such tracking. Users may learn how to opt out of interest-based advertising more generally by visiting the relevant opt-out section in this document.

Google Ads Remarketing (Google LLC)

Google Ads Remarketing is a remarketing and behavioral targeting service provided by Google LLC that connects the activity of this Website with the Google Ads advertising network and the DoubleClick Cookie.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Users can opt out of Google's use of Trackers for ads personalization by visiting Google's [Ads Settings](#).

Personal Data processed: Trackers; Usage Data.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Website in a centralized fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google LLC)

Google Tag Manager is a tag management service provided by Google LLC.

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#).

Traffic optimization and distribution

This type of service allows this Website to distribute their content using servers located across different countries and to optimize their performance. Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between this Website and the User's browser. Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Google Hosted Libraries (Google LLC)

Google Hosted Libraries is a traffic optimization and distribution service provided by Google LLC.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Cloudflare (Cloudflare, Inc.)

Cloudflare is a traffic optimization and distribution service provided by Cloudflare Inc. The way Cloudflare is integrated means that it filters all the traffic through this Website, i.e., communication between this Website and the User's browser, while also allowing analytical data from this Website to be collected.

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Cookie Policy

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users in the European Union

This section applies to all Users in the European Union, according to the General Data Protection Regulation (the “GDPR”), and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy. Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the Personal Data, if any, and further information about Personal Data can be found in **the section titled “Detailed information on the processing of Personal Data” within this document.**

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Further information for Users in Switzerland

This section applies to Users in Switzerland, and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy.

Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the personal data, if any, the retention period and further information about Personal Data can be found in **the section titled “Detailed information on the processing of Personal Data” within this document.**

The rights of Users according to the Swiss Federal Act on Data Protection

Users may exercise certain rights regarding their Data within the limits of law, including the following:

- right of access to Personal Data;
- right to object to the processing of their Personal Data (which also allows Users to demand that processing of Personal Data be restricted, Personal Data be deleted or destroyed, specific disclosures of Personal Data to third parties be prohibited);
- right to receive their Personal Data and have it transferred to another controller (data portability);
- right to ask for incorrect Personal Data to be corrected.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible, providing Users with the information required by law.

Further information for Users in Brazil

This section of the document integrates with and supplements the information contained in the rest of the privacy policy and is provided by the entity running this Website and, if the case may be, its parent, subsidiaries and affiliates (for the purposes of this section referred to collectively as “we”, “us”, “our”).

This section applies to all Users in Brazil (Users are referred to below, simply as “you”, “your”, “yours”), according to the "Lei Geral de Proteção de Dados" (the "LGPD"), and for such Users, it supersedes any other possibly divergent or conflicting information contained in the privacy policy.

This part of the document uses the term “personal information“ as it is defined in the **LGPD**.

The grounds on which we process your personal information

We can process your personal information solely if we have a legal basis for such processing. Legal bases are as follows:

- your consent to the relevant processing activities;
- compliance with a legal or regulatory obligation that lies with us;
- the carrying out of public policies provided in laws or regulations or based on contracts, agreements and similar legal instruments;
- studies conducted by research entities, preferably carried out on anonymized personal information;
- the carrying out of a contract and its preliminary procedures, in cases where you are a party to said contract;
- the exercising of our rights in judicial, administrative or arbitration procedures;
- protection or physical safety of yourself or a third party;
- the protection of health – in procedures carried out by health entities or professionals;
- our legitimate interests, provided that your fundamental rights and liberties do not prevail over such interests; and
- credit protection.

To find out more about the legal bases, you can contact us at any time using the contact details provided in this document.

Categories of personal information processed

To find out what categories of your personal information are processed, you can read the section titled “Detailed information on the processing of Personal Data” within this document.

Why we process your personal information

To find out why we process your personal information, you can read the sections titled “Detailed information on the processing of Personal Data” and “The purposes of processing” within this document.

Your Brazilian privacy rights, how to file a request and our response to your requests

Your Brazilian privacy rights

You have the right to:

- obtain confirmation of the existence of processing activities on your personal information;
- access to your personal information;
- have incomplete, inaccurate or outdated personal information rectified;
- obtain the anonymization, blocking or elimination of your unnecessary or excessive personal information, or of information that is not being processed in compliance with the LGPD;
- obtain information on the possibility to provide or deny your consent and the consequences thereof;
- obtain information about the third parties with whom we share your personal information;
- obtain, upon your express request, the portability of your personal information (except for anonymized information) to another service or product provider, provided that our commercial and industrial secrets are safeguarded;
- obtain the deletion of your personal information being processed if the processing was based upon your consent, unless one or more exceptions provided for in art. 16 of the LGPD apply;
- revoke your consent at any time;
- lodge a complaint related to your personal information with the ANPD (the National Data Protection Authority) or with consumer protection bodies;
- oppose a processing activity in cases where the processing is not carried out in compliance with the provisions of the law;
- request clear and adequate information regarding the criteria and procedures used for an automated decision; and
- request the review of decisions made solely on the basis of the automated processing of your personal information, which affect your interests. These include decisions to define your personal, professional, consumer and credit profile, or aspects of your personality.

You will never be discriminated against, or otherwise suffer any sort of detriment, if you exercise your rights.

How to file your request

You can file your express request to exercise your rights free from any charge, at any time, by using the contact details provided in this document, or via your legal representative.

How and when we will respond to your request

We will strive to promptly respond to your requests.

In any case, should it be impossible for us to do so, we'll make sure to communicate to you the factual or legal reasons that prevent us from immediately, or otherwise ever, complying with your requests. In cases where we are not processing your personal information, we will indicate to you the physical or legal person to whom you should address your requests, if we are in the position to do so.

In the event that you file an **access** or personal information **processing confirmation** request, please make sure that you specify whether you'd like your personal information to be delivered in electronic or printed form.

You will also need to let us know whether you want us to answer your request immediately, in which case we will answer in a simplified fashion, or if you need a complete disclosure instead.

In the latter case, we'll respond within 15 days from the time of your request, providing you with all the information on the origin of your personal information, confirmation on whether or not records exist, any criteria used for the processing and the purposes of the processing, while safeguarding our commercial and industrial secrets.

In the event that you file a **rectification, deletion, anonymization or personal information blocking** request, we will make sure to immediately communicate your request to other parties with whom we have shared your personal information in order to enable such third parties to also comply with your request — except in cases where such communication is proven impossible or involves disproportionate effort on our side.

Transfer of personal information outside of Brazil permitted by the law

We are allowed to transfer your personal information outside of the Brazilian territory in the following cases:

- when the transfer is necessary for international legal cooperation between public intelligence, investigation and prosecution bodies, according to the legal means provided by the international law;
- when the transfer is necessary to protect your life or physical security or those of a third party;
- when the transfer is authorized by the ANPD;
- when the transfer results from a commitment undertaken in an international cooperation agreement;
- when the transfer is necessary for the execution of a public policy or legal attribution of public service;
- when the transfer is necessary for compliance with a legal or regulatory obligation, the carrying out of a contract or preliminary procedures related to a contract, or the regular exercise of rights in judicial, administrative or arbitration procedures.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.
