## Types of Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: contact info; billing address; first name; last name; phone number; physical address; country; email address; ZIP/Postal code; city; Trackers; Usage Data; number of Users; session statistics; contact details; address; data relating to the point of sale; Data communicated while using the service; IP address; Universally unique identifier (UUID); answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; purchase history; search history; device information; Data communicated in order to use the Service.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

## Mode and place of processing the Data

### Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

### Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

### Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

## The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Building and running this Website, Contacting the User, Analytics, Tag Management, Displaying content from external platforms, Handling payments, Collection of privacy-related preferences, Spam and bots protection and User database management.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

## Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

### Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

#### Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Site Kit is a WordPress plugin provided by Google Ireland Limited that connects to various Google services to monitor website metrics such as site performance, traffic, and ad revenue.

Personal Data processed: country; purchase history; search history; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

#### YouTube Analytics and Reporting API (Google Ireland Limited)

YouTube Analytics and Reporting API is a video content analytics service provided by Google Ireland Limited.

Through this Service, this Website may collect Data directly or indirectly on or from Users’ devices, including by making use of trackers. Users may restrict such access to their Data via the [security settings page](#) provided by Google. Users may ask the Owner for further information about these privacy settings at any time through the contact details provided in this document.

Data collected through the Service may also be used to help third parties deliver interest-based advertising. Users can opt out of third-party interest-based advertising through their device settings or by visiting the [Network Advertising Initiative opt-out page](#).

Personal Data processed: Data communicated in order to use the Service; Data communicated while using the service; device information.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

## Building and running this Website

Key components of this Website are built and run directly by the Owner by making use of the software listed below.

### WordPress (self-hosted) (this Website)

This Website is built and run by the Owner via a CMS software (Content Management System) called WordPress.

Personal Data processed: billing address; contact info.

## **Collection of privacy-related preferences**

This type of service allows this Website to collect and store Users' preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

### **iubenda Consent Database (iubenda srl)**

The iubenda Consent Database allows to store and retrieve records of Users' consent to the processing of Personal Data, and information and preferences expressed in relation to the provided consent. In order to do so, it makes use of a Tracker that temporarily stores pending information on the User's device until it is processed by the API. The Tracker (a browser feature called localStorage) is at that point deleted.

Personal Data processed: Data communicated while using the service; IP address; Trackers.

Place of processing: Italy – [Privacy Policy](#).

### **iubenda Privacy Controls and Cookie Solution (iubenda srl)**

The iubenda Privacy Controls and Cookie Solution allows the Owner to collect and store Users' preferences related to the processing of personal information and in particular to the use of Cookies and other Trackers on this Website.

Personal Data processed: IP address; Trackers.

Place of processing: Italy – [Privacy Policy](#).

## **Contacting the User**

### **Contact form (this Website)**

By filling in the contact form with their Data, the User authorises this Website to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: city; country; email address; first name; last name; phone number; physical address; ZIP/Postal code.

## **Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of this Website and interact with them. Such services are often referred to as widgets, which are small elements placed on a website or app. They provide specific information or perform a particular function and often allow for user interaction. This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

### **Google Fonts (Google Ireland Limited)**

Google Fonts is a typeface visualisation service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

### **YouTube video widget (Privacy Enhanced Mode) (Google Ireland Limited)**

YouTube is a video content visualisation service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages. This widget is set up in a way that ensures that YouTube won't store information and cookies about Users on this Website unless they play the video.

Personal Data processed: Trackers; Universally unique identifier (UUID); Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### **YouTube IFrame Player (Google Ireland Limited)**

YouTube IFrame Player is a video content visualisation service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages.

Through this Service, this Website may collect Data directly or indirectly on or from Users' devices, including by making use of trackers. Users may restrict such access to their Data via the [security settings page](#) provided by Google. Users may ask the Owner for further information about these privacy settings at any time through the contact details provided in this document.

Data collected through the Service may also be used to help third parties deliver interest-based advertising. Users can opt out of third-party interest-based advertising through their device settings or by visiting the [Network Advertising Initiative opt-out page](#).

Personal Data processed: Data communicated in order to use the Service; Data communicated while using the service; device information.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

### **YouTube Data API (Google Ireland Limited)**

YouTube Data API is a video content visualisation service provided by Google Ireland Limited that allows this Website to incorporate functions normally executed on YouTube so that Users can watch, find, and manage YouTube content directly on this Website.

Through this Service, this Website may collect Data directly or indirectly on or from Users' devices, including by making use of Trackers. Users may restrict such access to their Data via the [security settings page](#) provided by Google. Users may ask the Owner for further information about these privacy settings at any time through the contact details provided in this document.

Data collected through the Service may also be used to help third parties deliver interest-based advertising. Users can opt out of third-party interest-based advertising through their device settings or by visiting the [Network Advertising Initiative opt-out page](#).

Personal Data processed: Data communicated in order to use the Service; Data communicated while using the service; device information.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

## **Handling payments**

Unless otherwise specified, this Website processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Website isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

### **Mollie (Mollie BV)**

Mollie is a payment management and product checkout page service provided by Mollie BV which allows Users to make online payments on this Website.

Personal Data processed: address; contact details; data relating to the point of sale.

Place of processing: Netherlands – [Privacy Policy](#).

### **Stripe ( Stripe Technology Europe Ltd)**

Stripe is a payment service provided by Stripe Technology Europe Ltd.

Personal Data processed: billing address.

Place of processing: European Union – [Privacy Policy](#).

## Spam and bots protection

This type of service analyses the traffic of this Website, potentially containing Users' Personal Data, with the purpose of filtering it from unwanted parts of traffic, messages and content that are recognised as spam or protecting it from malicious bots activities.

### Google reCAPTCHA (Google Ireland Limited)

Google reCAPTCHA is a SPAM protection service provided by Google Ireland Limited. The use of reCAPTCHA is subject to the Google [privacy policy](#) and [terms of use](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

## Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Website in a centralised fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

### Google Tag Manager (Google Ireland Limited)

Google Tag Manager is a tag management service provided by Google Ireland Limited.

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

## User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to this Website, as well as to track User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving this Website. Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on this Website.

### Brevo marketing automation (SendinBlue SAS)

Brevo marketing automation is a User database management service provided by SendinBlue SAS.

Personal Data processed: email address; Trackers; Usage Data.

Place of processing: France – [Privacy Policy](#).

## Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

## Cookie Policy

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

## Further Information for Users in the European Union

This section applies to all Users in the European Union, according to the General Data Protection Regulation (the “GDPR”), and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy. Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the Personal Data, if any, and further information about Personal Data can be found in **the section titled “Detailed information on the processing of Personal Data” within this document.**

## Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

## Further information about retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

## The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organisation governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or enquire with the Owner using the information provided in the contact section.

## Details about the right to object to processing

**Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground**

related to their particular situation to justify the objection.

**Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.**

### **How to exercise these rights**

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

## **Further information for Users in Switzerland**

This section applies to Users in Switzerland, and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy.

Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the personal data, if any, the retention period and further information about Personal Data can be found in **the section titled "Detailed information on the processing of Personal Data" within this document.**

### **The rights of Users according to the Swiss Federal Act on Data Protection**

Users may exercise certain rights regarding their Data within the limits of law, including the following:

- right of access to Personal Data;
- right to object to the processing of their Personal Data (which also allows Users to demand that processing of Personal Data be restricted, Personal Data be deleted or destroyed, specific disclosures of Personal Data to third parties be prohibited);
- right to receive their Personal Data and have it transferred to another controller (data portability);
- right to ask for incorrect Personal Data to be corrected.

### **How to exercise these rights**

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible, providing Users with the information required by law.

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

### **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

### **System logs and maintenance**

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

### **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

## **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

## **Definitions and legal references**

### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

### **Usage Data**

Information collected automatically through this Website (or third-party services employed in this Website), which can include: the IP addresses or domain names of the computers utilised by the Users who use this Website, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

### **User**

The individual using this Website who, unless otherwise specified, coincides with the Data Subject.

### **Data Subject**

The natural person to whom the Personal Data refers.

### **Data Processor (or Processor)**

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

### **Data Controller (or Owner)**

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Website. The Data Controller, unless otherwise specified, is the Owner of this Website.

### **This Website (or this Application)**

The means by which the Personal Data of the User is collected and processed.

### **Service**

The service provided by this Website as described in the relative terms (if available) and on this site/application.

### **European Union (or EU)**

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

### **Cookie**

Cookies are Trackers consisting of small sets of data stored in the User's browser.

### **Tracker**

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

### **Legal information**

This privacy statement has been prepared based on provisions of multiple legislations.

This privacy policy relates solely to this Website, if not stated otherwise within this document.
